Work Experience

PERIOD	**July 2013 — Presents**
EMPLOYER	**Neurosys** Wroclaw, Poland
JOB TITLE	**Junior .NET Developer**
	Mostly my work is focused on maintaince and creating new features on existing projects, if feature is fragile and influent hardly on basics I am implementing unit tests

PERIOD	**August 2012 — September 2012**
EMPLOYER	**Chroma.pl** Zary, Poland
JOB TITLE	**Junior .NET Developer**
	At Chroma.pl I was responsible for one major addon for their system. I was using unit test and most of my work was based on 'linq to excel' library and SQL queries, meantime I had to create liblary that check e-mail, by RCPT protocol

PERIOD	**June 2011 — September 2011**
EMPLOYER	**Chroma.pl** Zary, Poland
JOB TITLE	**Junior .NET Developer**
	For four months I was working as maintainer of existing projects beside I had implemented few new features. Most of using technologies during my employment were MSSQL, ASP.NET WebForms, HTML, CSS
